Hi John,

Our shipping office said my options were USPS or Fed Ex air which would require management approval, so I told them to send it USPS. The package is probably still in the mail room if you want me to try ship it with a different method.

Thanks,

Gail

Hi John,

I copying of all the files on the disk. The files are still being copied now, and I need to leave early today, but I can mail it out on Monday morning. Or if the new rail line stops near your office, I can hand deliver it on Monday.

Thanks,

Gail

Thanks,

Hi John.

I have a disk with the MT CALMET files for all three years. Each year is about 160 GB. It's probably best if you send a disk, and I'll make a copy. Or if you want to come over to our office it should not take long to copy the data.

Thanks,

Gail
